2 *	According According occupied by two bomber re	to another sour	ce, the air	field is report it is	

believed that type-27 aircraft and PE-2s are stationed at Finsterwalde airfield. The exact number of aircraft assigned to the units cannot be determined since the planes leave the hangars only for flying activity.

A dump was previously reported located at the same place. It has not been determined whether it is a fuel dump or an ammunition dump.
